INTERVIEW SUMMARY

Dear Sir:

On August 31, 2007, the undersigned and the Examiner held a telephone interview at the Examiner's initiation, to discuss the claims in this case. The Examiner indicated that the claims could be put in allowable form by amending them to be directed to operation with respect to a mobile station and further where the triggering event was that the mobile station is both idle and substantially stationary. At the Examiner's request, Applicant proposed an amended claim listing for use by the Examiner in an Examiner's Amendment.

Respectfully submitted,

McDONNELL BOEHNEN
HULBERT & BERGHOFF LLP
